

*I started piano in 2013 at the age of 7 in the Conservatory of Valbonne Sophia Antipolis, France, with my dear teacher Nina Weinfeld and when she left the Conservatory in 2020, I followed her to continue in Music School of La Semeuse in Nice. Since March 2020 I've only had online piano lessons and the pieces I'm presenting for the competition are the result of my online classes with my teacher.*

*In November 2020 I've participated in Stars at Tenerife online competition and won a Second Prize. In March 2021 I've participated in YMC online competition and won a Third Prize.*
