

Caitlyn is a 7th grade student attending Arbor Ridge School K-8, and she's been surrounded by music her whole life. From a young age, she would listen to her sister practice piano and violin every day, and this began her interest in music as well. At 6 years old, she picked up the violin and began her lessons with Mrs. Svetlana Gubnitskaya. Later on, she started playing piano at 8 years old with Mrs. Zalina Gurevich. Every year, she received superior for both violin and piano via Orlando Music Club Awards Auditions.
