

*My name is Dylan Wang. I am fourteen years old, and I have been living in the small and quiet town of Oviedo for about 5-6 years. I have been playing piano since I was 5 years old. Since then, I have progressed a good amount. I have one brother who is in 4th grade. My interest in music has grown over the years due to the skill level of my pieces getting consistently higher. I hope I can leave some sort of emotional trace when listening to my music.*
