

Riste Kaaret started her flute studies at the age of 7. After high school she chose between musical and medical studies and decided to become a doctor . She continued studying the flute in Heino Eller Tartu Music College in parallel with medical school . She has played the flute in the European Medical Students ' Orchestra and the Tartu University Symphony Orchestra . She also has had the opportunity to participate as a musician in drama plays and present works by young composers . Music and playing the flute plays an important role in her life despite the fact that she will soon become a doctor .
