

Wang Haoming began to learn trombone at the age of 10. In 2017, he was admitted to Shanghai Music Secondary School. He studied with Mr. Li Dali. Since he came into contact with trombone, Wang Haoming showed a strong interest in learning trombone performance. Under the encouragement and careful guidance of Mr. Li Dali, he gradually mastered the basic skills of playing and embarked on the professional road of trombone. He won the third place in the international music competition of Paris Opera House in 2020.
