

Kirke Marran started studying in Nõo Basic School in 2016. Her favourite subject is mathematics. At the same time, she went to study percussion instruments at Nõo Music School (teacher Küllike Männik). Kirke has taken part in several local percussion competitions and has won prizes there. From this academic year, she is also studying at the Heino Eller Tartu Music College in the Future Musician Development Program (teacher Heigo Rosin). Kirke also likes to dance very much.
