

*Nova was born on September 29, 2017, and is 4 years old now. She lives in Stockholm with her parents together.*

*She likes music very much, and she began to sing nursery rhymes at her one and a half years before she could speak properly. She started practicing piano at the age of three and a half and has been enjoying it ever since. She said that she likes playing piano on stage.*

*In addition to piano and music, Nova also likes dancing and outdoor sports, such as cycling and skateboarding.*
