However, Yuqiao's piano road was not always smooth. He undergoes the most wonderful cities' life and performed in the great concert halls such as Berlin, Prague, San Francisco, HK, Moscow, Shanghai, Bangkok; Also, he went through the tough life in the most difficult countries in particular India and Nepal. With the difficulties of finding a mechanical piano, a piano tuner, or even a true piano teacher, he still maintained playing piano by self-teaching when he lived in Nepal (9 years old). Before leaving Nepal, he dedicated a wonderful solo piano recital in Kathmandu. It attracted more than 200 people (including the French Ambassador) came to the open-air "hall". All these colorful experiences are treasure to shape his character and rich his music career.
