

Menua Melik-Haykazyan (born on 18th March 2013) is an Armenian child prodigy who is a polyglot with exceptional mathematical and linguistic skills. He studies many languages, including Armenian, Russian, English, French, German, Chinese, Hindi, Sanskrit, Georgian, Persian, Spanish, Grabar, etc. He plays 7 instruments, including the drum, recorder, marimba, flute, guitar, violin, and piano.

Menua wrote his first complete poem at the age of three. Two years later, he started to compose music. At the same time, as an external student, he passed the examination for one year, which is limited in Armenia. At the age of eight, during the 8 months, he achieved the 4th, 3rd, and 2nd chess ranks.
