

## ELIZA NIKOLOSKI

Hi, my name is Eliza Nikoloski. I am rising 5th grader at “Lazo Trpovski” Elementary school in Skopje, Macedonia. I turned 10 years on July,4-th.

I started learning piano at four (since 2018) and since then I have become a fan of classical piano music. I was member of the professional piano music school PianoArt – International music academy with my lovely professor Maja Stojanovic Krstic till the 2022. She showed me the first notes for which I’m very grateful.

Since I was four I started with acting, too, and I was in popular professional Macedonian children TV show “GIVE US THE MUSIC” which was also a music show. I’m member of the Macedonian Broadway children musical association and I was a part of couple musicals like “Annie”, “Nutcracker”, “Little mermaid”, “Matilda”. I also like to play tennis, I love animals, I love to play with my two special dogs, and I love all the animals in the world.

I speak English fluently and I started to learn Spanish this year.

I was also in TV and Social media commercials for some Macedonian and International brands (Art Juice, Hedera Vita, Probotalife) and for the Turkish bank “Halkbank”.

I love to travel a lot. I’ve been in most of the countries in Europe (Italy, Switzerland, Danmark, Sweden, France, Belgium, Germany, Serbia, Austria, Czech Republic, Bosnia and Herzegovina, Monte Negro, Bulgaria, Slovakia, Hungary, Greece, Turkey, Albania) and in Florida, New York (USA).

I’m very happy because at all the concerts, traveling and competitions, I met a lot of friends and people from around the world.

But my biggest love is playing piano. I play every day and I know that one day I’ll be a great pianist.
