

Reena Trepp (10) studies at the Lääne-Harju Music and Arts School in Estonia, under the guidance of teacher Oksana Lohinova. She started piano studies at the age of 7. Reena is a student with many interests. She knows exactly what she wants and knows how to take care of herself and others. Reena has participated in several regional competitions, where she has won prizes in her age group. In addition to piano, Reena also studies oboe. In her free time, Reena reads a lot.
