My name is Ziyuan Liu and I'm 16 years old. I'm from China, but now I'm living in Stockholm after we moved here 7 and a half years ago.

I have been playing piano since I was 5. I have always loved to play piano and I have enjoyed every moment since I started playing piano. I always have an unstoppable enthusiasm in music that makes me grow and be better in my piano skills.

I'm currently studying the nature-choir major at Kungsholmens College / Stockholm's music college.

I have taken several ABRSM piano performance and music theory exams and passed all of them. I have taken the grade 8, 7 and 6 piano performance exams and grade 5 music theory exam in the past few years. And I got distinction in Grade 7, 8 and the music theory exam.

I have participated in some competitions live in Nanjing, China. I also participated in the Stockholm Competition the last 2 years.
